Kanpur.

Sub: Development of an Industrial Area for MSME in Meerut.

Sir,

In Uttar Pradesh, Meerut enjoys the Status of most industrially developed area. Because of its nearness to Delhi and many more factors, there has been regular and rapid growth of industrialization in Meerut. The prospective and existing entrepreneurs are now finding it very difficult to get suitable land for setting up new industries. It is worth mentioning have that during the past about 10 years no new Industries Area is developed in Meerut.

This issue was discussed by Indian Industries Association (IIA) Meerut Chapter in one of the Divisional Udyog Bandhu Meeting chaired by the Commissioner Meerut Mandal. Commissioner has been kind enough to constitute a Committee under the Chairmanship of ADM(LA) RM, UPSIDC Meerut as the convener of this Committee and Chairman IIA Meerut Chapter is a member. It was also decided that the new Industrial Area may be developed by UPSIDC. In this regard, we submit the following proposal kind for your information and kind consideration:-

1. IIA an apex body of MSME extends its full support in this endeavour and assure you getting more than 250 potential entrepreneurs who will set up their units in the industrial area within the contracted period.
2. The industrial area may be developed exclusively for MSME's so that large number of units are accommodated resulting in more employment generation.
3. The industrial area may be developed economically so that the plots are available to MSME at a reasonable cost.
4. The allotment of the plots may be done in a transparent manner, however 250 plots may be given to IIA who will be responsible for launching production in all the units within contracted period.
5. The process of setting up this new Industrial area may be speeded up for which IIA is ready to co-operate and collaborate if desired so.
6. IIA is also ready to develop this industrial area in PPP Model. If agreed in Principal we may have a detailed discuss on this.

Submitted for kind consideration and early response please.

Thanking you.

Yours truly,

Ramesh Chandra
Chairman UPSIDC
