**Subject: Representation of IIA in the National Board for MSME(NBMSME)**

Sir,

Indian Industries Association is the biggest MSME association in the country having more than 7000 members in U.P., Uttarakhand, Himachal Pradesh, Delhi, Punjab and Haryana. IIA has been representing the National Board for SSI as well as the National Board for MSME continuously since its constitution. IIA has contributed significantly as a member of this apex board so far.

We have found that in the recently constituted NBMSME, IIA is not included as a member. The absence of IIA in this apex body will deprive a large number of MSMEs of the country from being represented at the national level.

We, therefore, request you to consider the representation of IIA in the National Board for MSME.

Thanking you.

Yours truly,

Sir,

This is to bring to your kind attention that for the first time in the history of SSI board and the National Board for MSME, IIA has been left out of the constitution of this apex board, i.e., NBMSME.

As you are well aware that IIA is the biggest association of MSMEs in the country and hence the absence of IIA in this apex body will deprive a large number of MSMEs from being represented at the national level.

We have already represented the matter to the Additional Secretary & Development Commissioner (MSME) vide our letter No 8264 dated 25-1-10(copy enclosed for ready reference).

We would also request for your personal intervention and to kindly expedite the representation of IIA in the NBMSME .

Hoping for a positive response.

Thanking you.

Yours faithfully,

**Anil Gupta**
