To,
Mr. Amrit Lal Meena, I.A.S
Joint Secretary,
Ministry of Food Processing Industries,
Panchsheel Bhawan,
August KrantiMarg,
New Delhi

Sir,

Indian Industries Association, popularly known as IIA is an apex representative body of Micro, Small & Medium Industries with a strong membership base of more than 7000 Micro, Small and Medium Scale Units in Uttar Pradesh. IIA's formidable presence is the direct result of its extensive network of more than 35 chapters spread in most of the important districts of the region. IIA is an active and permanent member of more than 36 consultative committees/boards/expert groups formed by Govt. of India and the State Government.

Few of our members involved in providing cold chain solutions to the food processing industries were interested in setting up Integrated Cold Chain, Value Addition and Preservation Infrastructure / facilities but due to delay in getting the information that MOFPI is seeking proposals for financial assistance were unable to attend the pre-bid meeting held on 29.07.2010 in the Ministry of Food Processing Industries, for interaction with the potential stakeholders and hence are not in a position to submit their proposal in time.

As the last date for submitting proposals being 17/09/2010 they will not be in a position to submit their proposals in time hence you are requested to kindly extend the period by one month and also arrange for another pre bid briefing for the entrepreneurs who have missed the first meeting.

Thanking You in anticipation.

Yours Faithfully

For Indian Industries Association
