5 June 09

Shri V.N. Garg I.A.S,
Executive Director,
Udyog Bandhu,
12-C, Mall Avenue,
Lucknow

Subject: Feed back on Udyog Bandhu Website.

Ref:- Your letter no. UB/VKS/Web/2009-10/330 dated May 19,2009

Dear Sir,

At the outset we would like congratulate you and also to thank you for taking new initiatives at State level Udyog Bandhu. We hope that with your efforts Udyog Bandhu will regain its importance and utility for the promotion and development of industries in U.P.

We have gone through the entire Udyog Bandhu website and found that the website is also giving a fresh look and to some extent helpful. We submit following observations and suggestions for improving the website further :-

1. **Acts & Rules**

- (1) The list is not exhaustive. Few important Acts & Rules not listed are U.P. VAT Rules, EPF Act, ESI Act etc.
IIA published a special issue of IIA News on Acts & Rules applicable to MSME in March 09. A copy of this News letter is enclosed herewith. The missing Acts & Rules may be added from IIA News Letter.
- (2) The Acts & Rules are not updated e.g. U.P. VAT Act have gone through several amendments during the past 1 ½ year. The Act published on the website is a old version.
- (3) This vital information affects the decision of the industrialists, therefore the information should be up to date. The task may be assigned to someone with definite responsibility or it should be outsourced.

2. **Government Orders & Notification**

This section also need lot of improvements in terms of coverage of all industry related departments as well as regular and prompt updation.

3. **Organisation of IID Branch U.P.**

The websites of number of departments are not functioning /updated properly. Striking example is of Directorate of Industries website where even Single Table System link is not operational.

4. **Different Meetings**

This is an excellent initiative however following may be looked into:-

- ❖ Meeting schedules shown for few Districts only. The schedule for all Udyog Bandhu Meetings at all levels should be displayed for atleast next 3 months.
- ❖ Minutes of all Udyog Bandhu Meetings should be uploaded in PDF Format by exporting through original document file and not in Scanned copies. It may be ensured that all the minutes of all the meetings are uploaded immediately. If it is done so, IIA is ready to develop a software for monitoring the progress of issues and problems of industries in U.P.

5. Record of Letters submitted to Udyog Bandhu at all levels and status of disposal may also be displayed on Udyog Bandhu Website.

6. **Tender Details**

It shows "No Tender". That means, that this data / details are not being updated/maintained.

7. **Website link exchange**

IIA website also contains information's beneficial to industries. As such we propose to exchange the link and put banner prominently on each other websites. The IIA website banner for exchange can be seen at <http://www.iiainline.in/important/link-to-us.php>

Thanking you,

Yours truly,

D.S. Verma
Executive Director
