Sub:- Proposal for a meeting of IIA Delegation to discuss Non- Conventional Energy initiatives in U.P

Madam,

Kindly refer to the telecom I had with you regarding IIA and NEDA tie up for “NON CONVENTIONAL ENERGY INITIATIVES “ in U.P. You are aware that Indian Industries Association is an apex body of MSME’s having more than 7000 members in U.P through 37 districts chapters. IIA have completed 25 years of its service to MSME and we are celebrating our silver jubilee year this year. One of the thrust activity area decided during this year in IIA is to popularize the use and development of Non –Conventional Energy. We have already published a special edition of June 2010 IIA News Letter with focus on Non Conventional Energy wherein your Exclusive Interview is also published with thanks.

We feel lucky to have you as the Head of this important department in U.P. With your dynamism and pragmatic approach, we hope and wish to carry out number of activities to propagate use and generation of Non Conventional Energy in U.P.

With this objective, IIA Delegation wish to meet you and the Senior Officers of NEDA in your Office in Vibhuti Khand at the earliest. Kindly convey suitable time and date for the meeting.

Looking forward for a favorable response.

Thanking you,

Yours Faithfully

D.S. Verma
