

Tally Software at special discounts available for IIA members.

We are happy to inform you that IIA have negotiated special discounts for purchase of Tally software with Tally Solutions Pvt Ltd as per the details given below:

- a) Slab-wise volume discount on purchase of Tally software licenses through a single centralized order from IIA.

License Quantity	Discount on MRP
10-24	10%
25-99	20%
100-499	30%
500-999	40%
1000+	50%

- b) IIA members buying through this arrangement will be provided special support and service arrangement given as under:

- Local support desk along-with the facility to provide on-line support to facilitate operational support required during transitioning to GST. This facility shall be exclusively for IIA members who shall buy the licenses under this arrangement.
- Free data migration from earlier versions of Tally to the latest version.
- Training on the statutory compliance part available in Tally.

Products offered under this scheme	MRP Exclusive of all taxes *
Tally.ERP9 Silver (Single User Edition)	INR 18000/-
Tally.ERP9 Gold (Multi User Edition for LAN)	INR 54,000/-

***(15% Service Tax and 5% VAT on MRP + Service Tax)**

The scheme is open till 30th May, 2017 for confirming the order through attached proforma. On 31st May, depending upon the number of software requisitioned by IIA members the discount slab as stated above will be applicable and the members will be asked to deposit the cost of the software in favour of designated Tally certified partner in respective bank accounts.

IIA, Tally Software Solutions and Auxin Enterprising Solutions Pvt Ltd are putting all out efforts to collect the orders for more than 1000 softwares so that IIA members gets maximum discount of 50%.

In view of the above, interested IIA members may mail at mkt@iiaonline.in.
