Subject: Parking of vehicles by the visitors at U.P. Secretariat.

Sir,

Indian Industries Association (IIA) fully support the security measures and concerns of the Govt. under present circumstances. As one of the security measure, parking of vehicles has been banned around U.P. Secretariat and Vidhan Sabha buildings.

However while doing so, no arrangements has been made for the parking of the vehicles of the visitors to the Secretariat & Vidhan Sabha. As a result the visitors are left with no alternative other than to park vehicle in nearby narrow lanes and leave it there unsafe.

Indian Industries Association (IIA) is an apex body of Small & Medium Industries in U.P representing 7000 industries. The key functionaries of the Association are required to visit U.P. Secretariat quite frequently. These functionaries includes President, Sr. Vice President, General Secretary, Executive Director, Chairman of various working groups etc. All of them are facing the problem of parking their vehicles since of vehicles are self driven.

Keeping in view the above problem, you are requested to either arrange a safe parking place for the visitors vehicles or at least issue special passes for the vehicles of IIA functionaries to park these vehicles inside the Secretariat /Vidhan Sabha Buildings.

We hope you will be kind enough to accept our request and find out suitable solution to the problem.

Thanking you,

Yours truly,

D.S. Verma
Executive Director
