**Subject :- Representation for opening of a Sub-Regional Office/Divisional Office at Lucknow.**

Dear Sir,

Kindly recall meeting of Chairman and Vice Chairman of IIA Lucknow Chapter with you at inauguration ceremony of your new model office at Aliganj, Lucknow in the month of July 08. We appreciate the new look of your Lucknow office which is catering to the needs of insured persons.

We would like to inform that employers of Lucknow are off and on required to visit Regional Office, Kanpur in personal hearing as well court cases. We understand that Lucknow is one of the highest contribution paying centres in U.P. region. Besides this, you may appreciate that Lucknow is capital of U.P and all main offices like, Pollution, Excise and Service Tax etc. are situated in Lucknow. As such, it is requested to open a Sub Regional Office/Divisional Office at Lucknow.

Further, this to bring to your kindly notice that Lucknow has become one of the biggest outsourcing Centre in North India and all Branch Offices of MNCs are located in the City. It may also be appreciated that at present industry is in tough condition due to global economic recession and industry needs help from all segments of government departments. As such opening of a Sub-Regional Office/Divisional Office will facilitate all concerned of prompt services and undue delay will be avoided for visiting regional office, Kanpur.

We hope you will be kind enough to accept our proposal sympathetically and confirm.

Thanking you,  
Yours truly,

Parveen Sadana  
President
