**Subject: Submission of Stock Details by 31/01/08- to be extended.**

Sir,

IIA is receiving suggestions from its members that the time allowed in submitting stock-details is very brief while the task is tougher.

Your goodself will by yourself see that the stock details required are very elaborate, exhaustive & detailed and quite different in form & manner as were so far required. This will entail a different, Large exercise, deep scrutiny & search to satisfy the requirements of provision. It is clear that the time gap between the implementation of VAT & statement demanded is very brief & limited. The statement if not submitted may also result in blockade of system to go through smoothly as well as deprive the dealers of the benefits of VAT & may in addition attract huge penalties which may be uninvited & uncalled for.

Therefore it is requested that the time may kindly be extended upto 31.03.08 to enable the Assesseees to submit details of stock by the financial year end & allow them a sigh of relief.

Thanking You

Yours truly,

D.S. Verma
