

U.S Company Looking for Manufacturing Partners in INDIA- Urgent Feedback required

IIA Members,

GXT Green, a USA based, award winning sustainable products company is looking for manufacturing partners in India to introduce a range of sustainable low carbon products in India. They are initially looking to partner with plastic bag manufacturing units (with extrusion, printing and cutting lines) in and around Delhi, UP, Haryana and Rajasthan.

President & CEO of the Company is in Delhi till 2nd December 2012. IIA Members interested to discuss the partnership may let IIA Head Office know their intention so that we are able to co-ordinate the dialogue with the company.

Your feedback is required urgently.

Kind regards,

D.S. Verma
Executive Director

Subject: Looking for Manufacturing Partners in INDIA

D. S Verma,
Executive Director
IIA

Dear Mr. Verma,

It was a pleasure speaking with you this morning.

Encouraged by a successful launch of ECOgrade products at the 32nd India International Trade Fair in Delhi, GXT Green, a USA based, award winning sustainable products company is looking for manufacturing partners in India to introduce a range of sustainable low carbon products in India.

We are initially looking to partner with plastic bag manufacturing units (with extrusion, printing and cutting lines) in and around Delhi, UP, Haryana and Rajasthan and I would appreciate your associations guidance in connecting us with potential partners and key stakeholders.
