Memorandum of Understanding (MoU)

This Memorandum of Understanding (MoU) is made and entered into on this [05/11/2025], by and between:

Sawen Consultancy Services (P) Ltd [SCSPL] at 417 A&B, 4th Floor, Sahara Shopping Centre, Faizabad Road, Lucknow - 226016 (U.P.) / Sawen Projects & Laboratories (P) Ltd [SPLPL] at 409 A, 4th Floor, Sahara Shopping Centre, Faizabad Road, Lucknow - 226016 (U.P.) / Sawen Paryawaran Chetna Federation [SPCF] at Ground floor, 125, Sahara Shopping Centre, Faizabad Road, Lucknow - 226016 (U.P.) and / Water Environmental Pollution Control Group [WEPCoG] at 5/948, Viram Khand, Gomtinagar, Lucknow, 226020, (U.P.) are professional environmental services firms providing Total Environmental Services. Lab activities such as Environmental monitoring and analysis (air, water, soil, noise, stack emissions and also Microbiological and food safety testing with its registered Head office at 409 A, 4th Floor, Sahara Shopping Centre, Faizabad Road, Lucknow - 226016 (U.P.) and laboratory at Hall No. 2, 7 & 10, LDA Commercial Complex, Vibhav Khand, Gomti Nagar Lucknow, 226010 (U.P.) hereinafter referred to as "Sawen Group,"

AND

Indian Industries Association (IIA), a leading industry body representing small and medium enterprises across India, with its registered office at [IIA Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow-226010], hereinafter referred to as "IIA."

Objectives

The objective of this MoU is to establish a collaborative framework between Sawen Group and IIA to promote environmental sustainability and capacity building among member industries of IIA.

Areas of Collaboration

The parties agree to collaborate in the following areas:

Ground water NOC

- Environmental, Energy, Water and Green audits and impact assessments including EIA/EMP, ESIA and ESG.
- Pollution NOC [CTE & CTO], Environmental monitoring and analysis (air, water, soil, noise, Fugitive and stack emissions).
- Ground water NOC
- Microbiological and food safety testing.
- Training programs, Knowledge dissemination, seminars, workshops and symposiums on environmental laws and best practices.
- Technical support for pollution control, Air Pollution Control Systems, waste management, and green technologies.

Total Environmental Services

◇ SOIL ◇ AIR ◇ WATER ◇ EFFLUENT ◇ NOISE ◇ FOOD & NUTRITION ◇ R&D ◇
◇ GEO TECHNICAL INVESTIGATION ◇ PHARMACEUTICALS ◇ COSMETICS ◇

Laboratory Address: Hall No. 2 & 10, LDA Commercial Complex, Vibhav Khand, Gomti Nagar, Lucknow 226016

Branch Offices: ¥ M Tower-403, Homes, House No. 121, Sector 121, NOIDA, 201301

¥Shop No.13, First Floor, Sarvodaya Shopping Complex, Baghmughalia, Bhopal-43.

Assistance in obtaining environmental clearances, Compliances and certifications.

- Assisting and handholding IIA associates and members related to advising and guiding during various compliance and other technical issues.

Roles and Responsibilities

Sawen Group shall:

- Provide technical expertise and services as per mutually agreed terms.
- Conduct sampling, monitoring, and analysis using accredited methods.
- Organize training and awareness programs for IIA members.

Indian Industries Association (IIA) shall:

- Facilitate access to member industries and coordinate engagements.
- Promote Sawen Group's services among its members.
- Support outreach and logistics for joint initiatives.

Duration

This MoU shall remain valid for a period of [3 years] from the date of signing, unless terminated earlier by either party with [Insert Notice Period, e.g., 30 days] written notice.

Confidentiality

Both parties agree to maintain confidentiality of proprietary and sensitive information shared during the course of collaboration.

Financial Arrangements

Any financial commitments or payments shall be governed by separate work orders or agreements issued under this MoU.

Dispute Resolution

Any disputes arising out of this MoU shall be resolved amicably through mutual consultation. If unresolved, the matter shall be referred to arbitration under applicable laws.

Amendments

This MoU may be amended only by mutual written consent of both parties.

Subject: Submission of Memorandum for Strategic Environmental Collaboration

Dear Sir/Madam,

Kindly refer to discussion held through Online zoom meeting on 13th of October, 2025 between Sawen Group and IIA officials at 5:00 PM. We are pleased to submit the enclosed Memorandum of Understanding (MoU) between Sawen Environmental Consultants and the Indian Industries Association (IIA), aimed at fostering a strategic partnership to promote sustainable industrial development and environmental compliance across member industries.

Sawen Environmental Consultants have been at the forefront of environmental monitoring, assessment, and advisory services. Through this collaboration, we aim to support IIA members with expert guidance on environmental regulations, pollution control, and green technologies. The Memorandum of Understanding [MoU] outlines a framework for joint initiatives including environmental audits, training programs, and technical support tailored to industry needs.

We believe this partnership will empower industries to adopt best practices, enhance regulatory compliance, and contribute meaningfully to India's environmental goals.

We look forward to your kind consideration and confirmation of this collaboration. Please feel free to contact us for any clarifications or further discussions.

Warm regards,

yours faithfully

(Dr Rajesh Kumar Singh)

Sawen-Lab/Env/IIA/SERVICES/01

October 17, 2025

SERVICES OFFERED BY SAWEN GROUP

I. Paid Services Offered By Sawen Group

The following services shall be rendered by Sawen Group to IIA members and associates, as per mutually agreed scope, terms and conditions:

- Environmental Monitoring and Lab testing Services offered and Interpretation of results and preparation of reports of Samples in accordance with national and international standards.
- Provision of specialized environmental consultancy tailored to industry-specific needs.
- On-site and remote technical guidance for environmental management and compliance.

Regulatory Compliance and Certification:

- Conducting EIA & Obtaining environmental clearances, Filing statutory compliance reports
- Pollution NOC-CTE & CTO
- Specific studies to industries including Water Effluent Management and chrome recovery etc
- Compliance Handholding and Troubleshooting of pollution control system

Personalized advisory and handholding support for IIA members in resolving:

- Environmental compliance issues
- Technical challenges related to pollution control, monitoring, and reporting
- Environmental Sustainability Audits
- Energy, Water and Green Audits
- Environmental and Social Impact Assessments (ESIA), Environmental Impact Assessment/Environmental management Plan (EIA/EMP), Pre-Feasibility Report (PFR)
- Environmental, Social, and Governance (ESG) evaluations
- Drafting Corporate Environmental Responsibility [CER] plan & Budget Allocation Services
- Capacity Building and Knowledge Dissemination
