

Ref. No. 3/SSI/13917/1

21st May 2020

To,
Shri Navneet Sahgal , I.A.S
Principal Secretary
MSME & Export Promotion
Government of Uttar Pradesh

Subject: Proposal for facilitating employment to Migrant Labour by IIA

Sir,

Indian Industries Association (IIA) is aware about the migration of large number of laborers / workers from other States in India to Uttar Pradesh. Shortly this work force will look out for jobs and in case they are unable to find jobs they will engage themselves in unproductive activities.

IIA is ready to help the Migrant Labourers as well as other unemployed youths of Uttar Pradesh in finding jobs in MSMEs provided an online data base of the migrant and unemployed youths is created by the Government wherein following informations are made available:

1. Name, Address, Contact details of the Migrant & Unemployed people, District wise & Tehsil wise.
2. Work experience & skills acquired by each migrant worker and unemployed youth.
3. Certificate from competent authority to the fact that the Migrant Workers have undergone quarantine process and are tested negative.

A portal to provide these informations may be developed immediately with additional facilities for registration by the job seekers and verification by the concerned Government Authority. Job Providers can also be facilitated to upload their manpower requirements and given the facility to contact the Migrant Worker(s) / unemployed youths and employ them with the information of the Government Authorities. If desired, IIA can put up a detailed proposal for the design & development of the portal.

Once this online data is available or portal is ready, IIA is ready to facilitate employment of Migrant Labourers and Unemployed youths of Uttar Pradesh in MSMEs in Uttar Pradesh.

This proposal is submitted for your kind consideration and getting it implemented by the concerned department of Uttar Pradesh.

Thanks & regards,

Pankaj Kumar
President
