Sub: Effective implementation of Central Government's Purchase & Price Preference Policy for Micro & Small Enterprises.

Sir,

This office has received a representation dated 12 August, 2009 from ~~IA Madhyanchal Vidhul Nigam Limited~~ Lucknow (UP), stating that your Nigam has been imposing eligible clause of having minimum annual turnover in the range of Rs. 10.00 - 100.00 crores in the different tenders floated by them. It is stated that such eligible clause restricts the participation of MSEs in the tenders whereas Government is providing various facilities/ benefits to MSEs for promotion & development of MSE sector.

All Ministries/ Departments of Government of India & all the State Governments and their undertakings have been requested not to impose the mandatory eligible clause of minimum turnover for MSEs in the tender floated by them under the clause No. 4 & 5 of Central Government Purchase & Price Preference Policy. A copy of the same is enclosed.

In view of above, you are requested to adhere to the Central Government Policy, and revise the terms & conditions of the tenders accordingly.

Encl: As above.

Yours faithfully,

(N.K. Verma)
Asstt. Director (MA)

SUB: GOVERNMENT STORES PURCHASE PROGRAMME -
GRANT OF BENEFITS - TO SMALL SCALE UNITS.

Sir,

Your attention is invited to the instructions issued by this office from time to time and the latest instructions issued on 2nd August 2001 on the subject cited above. Under

the Government Stores Purchase Programme, Government of India has been extending various facilities as given below to the SSI units registered with NSIC under its Single Point Registration Scheme:-

203/SS1/04
16/11/04
VST(I)
5/5/04
16.04.04
(जोहरा स्टॉक)

- (i) Issue of Tender Seals free of cost;
- (ii) Exemption from payment of Earnest Money;
- (iii) Waiver of Security Deposit upto the Monetary Limit for which the unit is registered; and
- (iv) Price Preference upto 15% over the quotation of large-scale units.

In addition to the above, 358 items are also reserved for exclusive purchase from SSI Sector.

The aforesaid provisions have been made because the financial resources of SSI units are limited and it becomes difficult for them to participate in more than one tender at a time floated by any Government Department /PSU as this will block their limited capital for long.

Although the instructions have been reiterated by the Office from time to time to all the Purchasing Departments of Government of India, complaints are continuously being received from SSI units/Industry Associations that some of the Government Departments/Public Sector Undertakings etc. do not extend these facilities to them.

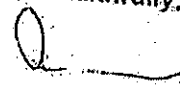

4. It has also been brought to the notice of this Ministry that some of the Government Departments/Public Sector Undertakings impose mandatory eligibility clauses providing for a minimum turnover limit and amount of purchase orders executed earlier, to the tune of crores in the tenders for procurement of material floated by them.

5. You will kindly agree that issues of concern to a buyer are the quality and price of the product. Turnover is immaterial and putting an eligibility condition of minimum turnover with a threshold of crores of rupees in the tenders discriminate against SSI industries. Hence, the mandatory eligibility clause of minimum turnover should not be imposed for SSI units in the tenders for the procurement of the materials.

6. In view of the above, your co-operation is strongly solicited in extending the marketing support to SSI units in the emerging competitive environment. You are, therefore, requested kindly to impress upon the Purchasing Departments/Agencies working under your control to ensure that the SSI units registered with NSIC are extended the aforesaid facilities and issue further necessary instructions to all concerned departments for strict compliance.

7. Information about action taken in this regard may kindly be communicated to this Office.

Yours faithfully,

(AMIR SUBHANI)
JT. DEV. COMMISSIONER (SSI)
