

**Startling Solar Pvt Ltd** is a Solar EPC Company that deals with Installation of Solar Plants. We are headquartered in Mumbai, with branches in Lucknow, NCR (National Capital Region), Allahabad, Chennai & Indore. It has done more than 2 MW in Rooftop Solar installations across India. The company was also recently ranked among the 25 Most Promising Companies in India in Power Sector.

We are a group of Young, Dynamic & Aggressive professionals whose main motto is to augment the power production through solar energy. They do the due diligence of client's needs and design and commission solar plants as per the requisite needs. Quality is the foremost concern of the team and after sales service follows next. As a result the company in a short span of its nascent years boasts of more than sixty satisfied clients. The company has been clocking a growth rate of 100% y-o-y basis and well established on its path to become one of the most respected solar companies of India.

SSPL is also empanelled with MNRE (Ministry of New & Renewable Energy) as Channel Partner.
