State wide call for Agitation against Power Tariff Hike and closure of Industries on 22nd November 2012

IIA Members,

Dear ALL

We all are badly affected by the unprecedented Power tariff hike done by Govt. of U.P in terms of Electricity duty hike as well as UPERC in terms of Tariff Hike. IIA has been approaching Govt. of U.P and UPERC not to burden Industries so heavily but they have not listened to us so far. As such we are left with no alternative other than to make the Govt. here to our voice through agitation. As such IIA CEC decided in its meeting held recently that all Industries in U.P should be given a call to observe a token strike to not to use DISCOM power for atleast two hours on 22nd November 2012 between 12.00 Noon and 2.00 PM . We have to take other Industries Associations also along with us in this movement.

All IIA Chapters and Members are therefore requested to make this agitation a success. Only then this Government will listen to us, otherwise be ready for the worst yet to come because the Government have identified Industries as a soft target to generate revenues.

We are happy to inform you that some of IIA Chapters are going to organize a massive protest and have decided to even observe full day bandh e.g Kanpur is doing so. You may also do so but atleast 2 Hrs complete bandh must be ensured.

This is the time to make some sacrifice if we want to protect our interests. So remember IIA Slogan: "COMING TOGETHER IS BEGINNING, WORKING TOGETHER IS PROGRESS AND KEEPING TOGETHER IS SUCCESS"

Thanks
